Spring 2011 Newsletter

PLEASE JOIN US IN WELCOMING OUR 2011 UWP INTERN COURTNEY ALEXANDER!

Courtney Alexander (Intern) & Chuck Voight (Habitat President)
at our Groundbreaking Ceremony on May 1, 2011

Courtney Alexander is spending his 2011 summer building with Habitat. Courtney is a UW-Platteville student working to earn dual degrees in Business Administration & Building Construction Management. Coming to Platteville from Robbins, IL, Courtney plans to return to the Chicago area after graduation and continue with his schooling, ultimately earning his MBA. We are very excited to have him on board for the 2011 Habitat home. Habitat for Humanity of Grant County (HFHGC) offers an annual internship to a UWP student interested in learning more about residential construction. HFHGC would like to acknowledge the UWP Pioneer Academic Center for Community Engagement (PACCE). PACCE offers an Engagement Internship program which reimburses organizations for the wages of their intern, thereby creating opportunities for students to complete their internship requirement with businesses that would not otherwise be able to afford an intern. **Thanks PACCE!**

Teams and Individual registrations are welcome

Habitat for Humanity of Grant County is building in Cuba City again this year!

Thanks to an awesome partnership with Mound City Bank and Lori Droessler Real Estate, LLC, HFHGC has secured two additional building lots in Cuba City. Construction is underway and volunteers and donations are needed. Originally, we did not plan to build a new home this year. Instead, we were planning to focus on some home rehabilitation or Brush with Kindness projects. Now, with the new lots secured, we are able to build a new home again this year, and likely next year as well! Thank you Mound City Bank & Lori Droessler Real Estate LLC!!!

The decision to build this year is somewhat of a step of faith in trusting the Lord to provide for our 2011 Habitat build. While we are financially secure in our decision, additional funds must be raised. Your help is needed. If you are at all able to partner with us in building this year, we would greatly appreciate your support. We have included an envelope with this newsletter for your convenience.

THANKS LOWE'S!

Once again this year, our affiliate was selected as a recipient of the Lowe's National Women Build Week

Grant! HFHGC will receive a \$5,000 gift card to be used for purchasing materials for our build. On our 2011 Women Build day, 26 wonderful women from the UWP Women's Volleyball team and other women volunteers participated in helping us construct the foundation walls for our new Habitat house. **You girls ROCK!**

VOLUNTEER CREWS ARE NEEDED SIGN-UP NOW TAKING PLACE!

If you or members of your organization would like to come out and join us on a build day, please contact our office.

Working on a Habitat build is an awesome Team Building exercise. Please consider sending a team to represent your organization. Individual Volunteers are Always Welcome!

PARTNER FAMILY WORKSHOPS

ARE SCHEDULED FOR MAY 26 & 31, 2011

At Cuba City Municipal Building
108 N Main St., Cuba City
7:00 PM (both evenings)

Have you ever dreamed of Home Ownership, but questioned if you would qualify for a conventional mortgage? We may be able to help!!!
Come to a Workshop & Learn More about Habitat for Humanity home ownership. If you do not receive this notice in time, please contact our office and we can schedule another workshop.

Help us "go green" – sign up for our e-newsletters and help save trees and funds. HFHGC is working to reduce the cost of paper newsletter printing and mailing. While we want to keep you informed of our activities, we also strive to be as thrifty as possible and e-newsletters truly help in this effort. We promise to keep your information confidential and not flood your inbox with countless emails. Send us an email & indicate your preference for email updates! Send to grantcountyhabitat@yahoo.com
